

Ford Fiesta Mk8 Tailgate Spoiler Assembly Instruction

- 1. Apply protective tape to the spoiler installation site.
- 2.Place the mounting template so that it fits perfectly and mark the drilling locations on the tape.
- 3.Remove the template and drill holes with an 8mm
- lid.

Video assembly instructions

- 5. Spread window glue at the ends of the spoiler and on the supports.
- 6.Remove the securing tape and place the spoiler on the trunk lid so that the drilled holes align perfectly with the mounting holes in the spoiler.
- 7.Place the mounting screws with washers on the inside of the trunk lid and tighten the spoiler firmly.
